Need a  
hand with  
digital?

Got a tablet, laptop or mobile you're not sure how to use?

Fancy learning more about how to safely use the internet?

Want to keep in touch with friends and family but confused by all the jargon?

**Get in touch with us today!**

**We understand that getting to grips with technology can be a challenge**

**That's why Langholm Initiative is offering a totally free, friendly service to help you navigate the digital world**

**We'll work with you for as long as you need to help you build your confidence and skills with your tablet, phone or computer**

**Getting online is a great way to stay connected to the world, and keep in touch with friends and family!**

**Sessions will be fun, informal and completely at your own pace. Due to social distancing restrictions, they will be delivered over the telephone for the time being.**

**If you're interested in learning more, call Jason for a chat on 07759 246 690 - we'd love to hear from you!**
